afternoon about 4:00 PM as we had spent two days in Greenville  
with two of our children. I am so sorry! It's hard to understand why

“ Dear Imagean and Beth,  
Please accept our apologies for not being there today to support you at Earl's funeral. We only learned tonight-Thursday-of his passing; in fact we didn't know of his illness. We are so sorry. Earl was always one of my favorite people to talk to at Pleasant Ridge. He seemed to always be chipper and happy. I can remember when he moved in to live with the Orr family. He added another handsome young man to help us younger girls look forward to going to church. My Mother would say "you're not going for the right reason but it's getting you there". We love you and know you have many memories that will help. Faith in the Lord has gotten me this far as I know your faith in God will bring you forward and beyond. Our love, Clarence and Louise###imported-begin##Louise Towe###imported-end##

“ I am deeply saddened to learn of Earls passing, and I am aware that words alone will not take away the grief we feel when we lose those we love.

*I worked with Earl at the Torrington company, and bowled with him, in our early years. Earl was a fine man with compassion and integrity and I was proud to call him my friend! He will be sorely missed! May God bless you each and grant you his peace. Rod Albertson###imported-begin###Rod Albertson###imported-end##*

“ Imogean,

*We love you and loved Earl so very much, he was such a "special" friend to us. We have and will miss him singing with us in our church choir as well as our other church functions that he was always a part. I think everyone looked forward to our church family meals to see what Earl had baked or prepared, such a wonderful cook! He will be missed greatly but far from being forgotten, such a respectful man was Earl.*

*Again, we love you Imogean and we are here for you, now and later.*

*In Christ's love,*
