“ The first few times I called Pat when we taught together at South Pine Street El., Earl answered and was so friendly and nice on the phone, I told Pat if my husband were that nice on the phone to ladies he didn't know, I would not let him answer any more. Earl was truly a gentleman every time I had the pleasure of seeing him. One thing I will remember him for is how supportive he was of Pat's career. Our love and sympathy to you, Pat, your sons and the rest of the family.

“ With love to Pat and the family... I remember Earl as a wonderful "teacher husband." He seemed to always have time for us and made us welcome whenever we came around. Pat has been SO lucky in love.

Helen Keller once said: "What we have once enjoyed, we can never lose. All that we love deeply becomes a part of us."

May it be so.

“ *It is with a sad heart that I have learned today of Earl's passing yesterday. Earl and I were good friends having met at our Legion Post 124. Being a retired Air Force Chaplain myself, I was delighted to learn of Earl's long time service as a chaplain's assistant and superintendent. We could not have done our job as chaplains without dedicated men and women like Earl. Please accept my condolences.*
