“ *I'm so sorry for your loss. Miss Edith was a beautiful person. I had the privilege of working with her at Itron. She always loved to talk about her children and her grandchildren. She would always smile and her face would light up when she would tell me about her family. She was a beautiful lady and will be dearly missed. Now she's made that final journey home, I know she's looking down upon us smiling and telling us to not worry about her because now she's walking with Jesus and listening to angels sing.*

Rest In Peace Edith
