“ *My sincere condolences to the entire family. I had the pleasure of taking care of Ms. Capps as one of her nurses on Unit 603 at Richard Campbell. She would often tell me she loved me, and just her being appreciative touched me tremendously. She was feisty, but kind. She thanked me numerous times for helping to care for her. “Edna” as we affectionately called her, had a flair for fashion and she will be sorely missed.*

“ So many fond memories of Ms Edna. I guess my most memorable is her story of her and Mom in their evening gowns riding in the Christmas Parade. She has always been a part of our family. We will surely miss her!
