“ *Dear Helen and Family, our thoughts and prayers go out to you all during this difficult time. It was a pleasure to care for "Buddy" during his time with us. I will always remember his wonderful singing, especially "In the Pines." A big hug to you all. God bless you all. Love, Jan*

“ *Dear Helen and family, Just wanted to let you know that my prayers and thoughts are with each of you during this time. "Buddy" and each of you were very special to me. I know the pain that you are going through and the emptiness that you feel. I use to say that it will be alright until I felt that pain. But with time and with God's love and understanding he has finally helped me to understand that one day it will be alright. Lots of love and prayers to each of you and trust in God, cause he will be the one to help you through this time of sorrow. God bless you. Marilyn*
