“ *Ed was a wonderful man- always with a smile and encouraging words. We worked together in Security at Englehard-Seneca (now BASF) and shared memories of our US Air Force careers. He made several hiking staffs for me which were wonderful gifts to my family members....his signature staffs are well-known. I look forward to seeing Ed again. Prayers of peace, comfort, and encouragement to his family....*

“ *Ed was one of the kindest men I ever knew. I worked with Ed at Oconee Nuclear and Engelhard and he was always so positive and happy. He was contagious. I have one of the walking sticks he was known for making and it will remind me of him and bring a smile to my face. May God comfort his family.*
