“ *Deborah and Storm,  
I am thinking of you during this difficult time. I am so sorry for your loss. Eddie was a great man...you both were the lights of his life. Storm, from the first time I met your dad when you were in first grade, I could tell how much he loved you and how proud he was of you. He will live on in the memories of those who knew him.  
With sympathy,

“ *Buck was one of the best general foremen that I ever worked with. He was extremely assertive without being aggressive, had confidence in himself without being arrogant, had confidence in his crews to be able to do their job correctly each and every time, and had the gift of being able to motivate others by the "we" method. His skills and gifts will be missed, and Buck himself will be missed all the more. God bless you, Buck.*
