“ Thinking of Mrs. Eileen’s family and friends as they lay her to rest today. She was so sweet and funny. A very giving person who would look out for your safety and well being without batting an eyelash. She was my first ever boss at my very first job at Shoe Show back in high school. And though she was the first she was one of the best bosses I ever had, if not the best! She was quite the fashionista and so proud of all of her family. She had so many stories. Definitely a life fully and well lived.

Rest well sweet lady 🕊️❤️✝️

“ Nanny, I am going to miss you so much! You were always there for us, and always had a positive, happy attitude about everything. I will never forget the times we had together, the trips, family get togethers, the good and bad times. Thank you for always loving me and believing in me, when I did not believe in myself. I know you are pain free and walking , but I miss your presence. I will always love you!
