“ *My thoughts and prayers are with you today as you lay Elaine to rest. Please know I am thinking of all of you at this difficult time, and I am sending much love your way. I wish I could be there in person to celebrate Elaine and the many ways she made life better for others. I have fond memories of the two times I lived in Westminster at the Stancil Family's Old Home Place while growing up, and Elaine and I became friends. She was such a positive and upbeat person and such fun to be around. I know her legacy will live on in her daughter, grandchildren, and great-grandchild as well as in all of the people she touched throughout her life. She was a blessing to so many!*

“ My heartfelt sympathy to all of you during such a difficult time. Elaine was always so kind and lit the room with her beautiful smile. I will treasure the childhood memories of spending the night with Kristy and her big sister Elaine at Aunt Marie's when we lived in Westminster. I know she will be missed so much by her family and friends. I pray that you will feel God's peace in the days ahead. I'm so sorry I will not be able to be there with you, and hope you know you will be in my thoughts and prayers. The Peace of the Lord be with you.

Love,

“ I'm so saddened to hear of Ms. Elaine's passing. As a student of Continuing Education at Tri County Tech she was always helpful with a smile on her face regardless of how busy she was. She always gave words of encouragement to every student including me who came to her for help. She will be missed by many and remembered fondly. You will all be in my thoughts and prayers
