“ *Wonderful teacher! She was my 2nd grade teacher at Tamassee in 1993 and she said the prayer with us before lunch everyday, we adopted a manatee, and did lots of fun projects. She even hosted an end of year party at her house and had watergun fights and played video games. Truly caring and wonderful lady* ❤️ ”

“ I was a graduate student at Clemson and I shared Elaine's class with her at TSE when she was going through her cancer treatments. We made fast friends with how she was connected to my older siblings and running a classroom together. We shared many conversations, laughs, tears and success. Elaine was a dedicated teacher to this county and touched many lives. I send my deepest sympathy for the loss of Mrs. Morris.
