“ I am so sorry for your loss. Your mother and mine were so close to each other after your father died and my dad was in Viet Nam. I remember when the house was built and we would come to your house and play football. In past years I would see your mom in Walmart and talk to her. Good memories. Prayers for you and your family. God Bless.

“ Depending on your age range and being from Oconee County you can't say Super Service without thinking of Lib and then at the oil changing place. I only knew her through business. She was always kind and professional whether on the phone or in person. I send my sympathy for the loss of Lib.

“ *My papa used to work with Lib many years ago at Super Service. I used to walk up there on Main Street after school (the old middle school) and wait with my papa until Mama could pick me up after she got off work. Lib was a very sweet lady who was always so nice to me. I know my papa thought a lot of her, too. I'm sorry for your loss. Prayers.*
