“ *So sorry to hear of the passing of my sweet friend "Kelley". I worked with Mrs Kelley at Kendall at my first full time job out of High School. Along with our friend Glo, they took me under their wings and guided me during those very formative years. I also continued my friendship throughout the years through my customer service jobs. It was always a good day to reminisce and catch up on current events. May you rest in peace and hope you still hear the Blue Grass that you enjoyed so much.*

“ *Steve,  
I was so sorry to read about your mom in today's paper. As you know, your mom and I didn't agree on everything, but she was a lady who had my highest respect. She was a person of integrity and stood behind her principles. Please accept my sincere condolences.

*Sue and Roger,*

*We pray that in this difficult time, the love of God will shelter you and mend the pain that you are feeling. "The Lord is close to the broken hearted, rescues those whose spirit is crushed and He binds up their wounds." Our thoughts and prayers continue to be with you. May these words of comfort rest gently upon your heart and in time may they become words of healing. Edalene was a dear, dear lady. She always had that special smile... and so loving and gentle. Loved her! She was a dear friend! She's just "around the bend"...we all will be with her very soon. What a day that will be!  
We love you.*
