“ Dear Grandson, Edward, We never had the chance to meet Paige in person, but we learned to love her due to her lovely notes and correspondence. She was sweet, gracious and very loving, always remembering us; we came to truly know her through her writings. We grieve with you and all the family. Paige was grounded in her faith and she would want you to take comfort knowing God is your refuge and strength.

We love you and share your sorrow. Heartfelt sympathy, Maudie and Jim
