“ *I am so glad we went to Myrtle Beach in February to visit Lib and Kimberly. I have so many great memories of time spent with my sister from sharing a bed when we were just kids to all the fun times as adults. We have laughed and cried many times together with the ups and downs of life. Lib was the best sister ever and the kindest person I've ever known. I love her deeply, am so sad to lose her and will miss her forever.*
