“ *Ms. Betty holds a special place in my heart. She was one of the best friends that I have ever had. She was thoughtful, caring and motherly to me. I shall never forget her. She was one of the first people that I met from St. John's and almost the last one to say goodbye when I left. Her and he sister Ms. Margret always kept me entertained and infomed. Thanks for all you mean to David and me.*
