“ *"Mrs. Zahn" was one of my treasured memories of my years at Geneva College. I graduated 32 years ago but I can remember her face and sweet smile as if it were yesterday. I lived in Pearce Hall for my four years and Mrs. Zahn was a friend, a confidante, an encourager and a prayer support to me and many, many others. She spoke of her family with care and love and I remember that not only did she pray for us, we were reminded to pray for her and her family, because of her example. May you carry inside of you forever the gifts your Mom gave you. She is Home with Jesus now and because of Him, we all have the Hope of being in a wonderful, place where there are no more tears, regrets... only Love and Joy and Laughter and Peace forever and ever. I look forward to giving her a hug one day when we're all gathered for that grand family reunion that will never end... because of Jesus. Here's a big hug for you. O Mindy (Matthews) McMahon*
