“ *Brian, I met your father in January 1981 in Hawaii. Your mom, dad my mom and myself covered the islands together over a 2 week period. He called me his co-pilot, since I helped him with directions. We had the best all time together. We had so much fun, that we invited them to my wedding in New York the following year. By the way, you also attended. I was so sorry to hear of his passing. My thoughts and prayers go out to everyone in the family during this difficult time.*

Sincerely
