“ *I worked with Emagene for several years at AnMed when I was a new graduate from nursing school on orthopedics. She was working 2nd shift and I worked 3rd. “Emmer” as I lovingly called her always took the time to explain things to me I did not know. We had many laughs together. Our loss..... heavens gain.... prayers for all of you. I have wonderful memories of “Emmer”. Kathy Swaney*

“ I worked many years with Emagene at Patrick B. Harris. I went to work there right out of college (1985) & worked many years with Emagene. Though I was not in the nursing field we all learned a lot from one another during those years. Emagene was always one of my favorite people. She taught us how to be tough & to speak our mind, but through kindness & compassion. South Carolina has lost a great nurse & the rest of us a great role model & friend. Prays for strength & comfort to the family.

“ *Dear Family of Emagene,*

It was with sadness I learned of Emagene's passing. She and I worked together for many years at Jantzen., She was a kind, happy person, and I cherish the opportunity I had to work with her. I look forward to our meeting again in eternity. May God bring each of you comfort and peace with the assurance of seeing her again.

Emagene was always pleasant and kind. As a supervisor, she had the role of directing and making sure things were in proper perspective. She did it well and professionally. A great loss to the community! Condolences to Rhetta and the family during this difficult time God will see you through!
