“Oscar was such a wonderful person, I bet most people can recall the first time they met him. I certainly remember, he just struck up a conversation, introduced himself and said "You know, I'm always (w)right." Don't think he ever met a stranger but always made a friend. He will be very missed. May God bless and keep Susan and the family during this time of sorrow, our prayers are with you.

“ Missing you down here Pop Pop Oscar! I will always remember how funny you were and how you could make anyone in the room laugh. I will cherish the memories of visiting you & Nana Susan. Also, how you taught me how to make delicious oatmeal and how you always stressed how important it was to eat healthy so I live a long life! I wish I could be there to give you my goodbyes in person but just know I will be thinking of you and praying everyone there! Until we meet again Big B! <3 <3 <3 Sammi
