“ I'm very sorry and saddened to see that Bill has passed away. I wish I was able to come to his funeral, but I have some medical problems I am having to deal with that make it very hard for me to leave home to go anywhere. I have a lot of good memories of our many days of rabbit hunting, starting and working at Tokeena Beagle Club and field trialing. I also have a lot of good memories of working at Seneca Discount Furniture and Walhalla Discount Furniture and good memories of all of you that I have met and know. You all are in my thoughts and prayers.
