“ *My deepest sympathy on the passing of sister Essie the eldest member of the Cherry Hill Church of God sister Essie was a true virtuous woman a woman who loved her church and her family with all her heart I remember when I first came into the church I was going to make chili and they said you better let sister Essie do that I have never seen tomato plants so tall in all of my life they must have been 6 ft tall or higher if you ever try to do anything nice for them you could rest assured you were going to get a jar of green beans a true woman of God*
