“ Aunt Ethel was a second Mom to me, she would babysit for my parents when they worked, and I stayed with her quite a lot during the summer months babysitting for her while she worked when Ricky was young. And since then we have always been close. She was a very good influence on my life. Her joy of life and encouraging words always helped me when at times my life felt out of control. My heart goes out to Ricky and his family and Tammy and Tony. My heart is broken at the loss of such a wonderful woman. I will always have very fond memories of my time with her. Sending my love to my cousins and their families.

“ God bless you Rick and Tammy and the grandsons. We are sorry for your loss. Ethel was loved by so many and showed her love to every one. I loved working with her, going to church with her and being her friend. She was a good woman but most importantly, she was a Christian lady. She will be missed. Much love and many prayers.

“ Rick and Tammy,  
We are so sorry for the loss of your precious mother. She was truly a good friend. I worked with her for years at Oconee Hospital, went to church with her and always enjoyed her personality. She always saw good in everybody. She and WH were good friends and we enjoyed visiting their home. She will be greatly missed. I loved Ethel. Your mother truly loved the Lord and lived her life with love in her heart for every body.  
God bless each of you. LC and Mary Jo Alexander

“ Ricky, Tammy and Family, You were Ethel's pride and joy. She loved you very much. It was special to see her face light up when she shared pictures of you and told of your latest accomplishments. Through her eyes, I have watched you and your children grow up. Ethel was always wonderful to work with and there are many treasured memories of meals together, celebrations and days together at OMH. My prayers are with each of you!
