“ My husband, Phillip, and I go to church at Cedar Hill. Our thoughts and prayers are with the entire Smith family during this time of loss. We've both lost our dads to cancer and know the pain of saying goodbye to them here on earth. But since Gene accepted Christ as his Personal Savior a few days ago, your goodbye doesn't have to be forever. Someday we can all be together in heaven...a land where there is no more sickness, pain or tears.

Troy, Detta & Brooke,

We are here for you and will continue to lift you up in prayer!

Love,

“ Dear Smith Family,  
Our Family goes to church with Detta, Brooke, and Troy. We have been praying for Gene and the family since his surgery. We are saddened to know that you have suffered such an important loss. But we rejoice in knowing we will see Gene again and he will have a glorified body free of cancer. We will continue to pray for you and we know that Gods grace is sufficient. May the Lord bless you all.##imported-begin##Angie Hawkins##imported-end##
