“ *Karen...we have many fond memories of your sweet Mom, Dad and Fairfield Grocery. I'll never forget the swimming party at your house when we were young kids. Your Mom was a very special lady that touched so many lives. May God give you peace, and may all your precious memories live in your heart forever.##imported-begin##Gay Palmer Englebert##imported-end##*

“ *Karen, we were so sorry to hear about Evelyn. She was certainly a special lady in our lives. Growing up, Wayne, Jo, Tony and I used to love going to their store each week to get groceries, and hopefully a treat. She and David were always so kind and sweet. I don't think anyone ever got on their nerves. They were always just so polite to everyone. You will be in our prayers. Love, Jim and Nancy (Deaton) McAlister.##imported-begin##Jim and Nancy (Deaton) McAlister##imported-end##*

“ Karen, Tim and family,  
*Your family were such a part of so many families over the past years. Evelyn and David were such a blessing to everyone who came in contact with them....and that was quite a large number of people. They helped so many and gave so much....you should be very proud of them both! My prayers are with you.*##imported-begin##jane frasier##imported-end##

“ To spend each day in the public eye and have made such an impression on so many, is something all of us should try to achieve. I have been back to the store several times, but a new building just doesn't make it what it use to be with Evelyn & David being there to talk with you. We were all blessed by their service to the people of Walhalla. Your family is in my prayers.##imported-begin##Lillian Murphy##imported-end##

“ Karen,  
Evelyn Turner was a wonderful lady who always shared her love for her Lord. As a former employee of Walhalla Middle School, I have fond memories of shopping at the store and having time to talk with her. She always made you feel special and your business was always valued. Hold tightly to her parting gifts called memories. These will serve you well.##imported-begin##John Kelley##imported-end##
