“ Evelyn was always eager to ask about our family and so sweet to listen. Keith has a fun memory of her coming for a visit with a poem she had written. She wanted him to help her with a melody and then she sang the new song. She will be missed by many. Heaven's reunion day is a time to look forward to as we have more of our loved ones waiting.

“ *Evelyn's nephew Jay and I would go pick her up to take her to the airport in Atlanta when she would go visit Stanton and his family. And then meet her back in Atlanta to bring her home. Jay would sit in the back and she and I would sit up front so we could have "girl talk". These memories always make me smile when I think back on our trips. Evelyn was a wonderful lady. She will truly be missed by me and everyone she touched.*

“ I am so sorry to hear of Evelyn’s passing. My thoughts and prayers go out to all of her family. I have such fond memories of Evelyn from when she resided in Myrtle Beach. She always welcomed me into her home. I loved sitting on the porch with her and enjoying coffee and morning talks. She had such a dry wit. I looked up to her like an older sister in those days. She had many great virtues, but one I respected deeply was her love for her children. I find peace that she is reunited today with three of them. I feel privileged to have continued staying in touch with her off and on through some of the years that followed. I will miss the simple knowledge of knowing she was alive on this earth with the rest of us. Rest in peace.
