

Mr. Everett Lee Ranney

April 27, 1930 - March 8, 2017

Everett Lee Ranney, 86, died peacefully on March 8, 2017 at GHS Cottingham Hospice House in Seneca, SC.

Everett's beautiful life began on April 27, 1930, when he was born to Ellis D. and Effie Lindell Ranney, older brother Wally, and loving sister Norma Jean in Seattle, Washington.

Everett met Mildred McManus in Boston and a love story began. Being in the Air Force for 20 years they traveled from the East Coast to the West Coast, in the middle and back again. After retiring they settled in Anaheim, CA, for over 20 years. They decided to move to Washington, to be closer to family. Then Everett retired from the computer field and off they went. After Everett's mom passed, they decided to sell just about everything and traveled the USA. With a new truck and fifth wheel they began their first honeymoon, and still lovebirds, they traveled to just about every state. They both said it was the time of their lives.

As time, with age slows down so did their traveling, but not their love for one another. Everett's beloved Mildred died on September 10, 2016. Everett's heart ached for her and slowly started his journey to meet her. After 6 months, his spirit began again when Mildred was waiting to hold his hand, give him a kiss, and square dance their way to eternal life together.

Everett was a very quiet and kind person, who stood in the background and let everyone else shine. Little did he know he always shined the brightest to the ones he loved.

Everett and Mildred, along with Bella will be watching over their beloved family: Debbie and Ed Davis, Judy and Don Gibson, Mary-Ann and Phil Gawthrop, four grandchildren, five great-grandchildren, and loving nieces and nephews, and Lucy, Lea, and Lacy Bell.

Because of your love, dad we will always try to be more knowledgeable, but kind and understanding to those who suffer from Alzheimer's disease.

All Our Love,

Mary-Ann, Judy and Debbie
