*Really gonna miss you.  
It's really gonna be different without you  
Time came when you had to go.  
I'll miss you my buddy  
I'll miss you my friend  
In your finest hour, I was there with you  
And without you things won't be the same.  
But there's a higher power that we answer to  
And you heard Him calling your name.  
Really gonna miss you.  
Everything about you. Your hard work and your smiling face. Your  
kind words.  
I know you want us all to be strong.  
I know you're going to that magic place.  
Singing and playing you a brand new song.  
I'll miss you my buddy.  
I'll miss you my friend.*

“ Rest easy my friend. I'll always remember the daily arguments we had over who worked the hardest and who was more lazy. Or how he would always remind me every morning that I owed him a biscuit because (even though i never got it) he got me one last time. He was one in a million. He will be missed!
