“ Ohh my sweet angel. I'm already missing you so very much. All our daily conversations. Our daily phone calls. Our joking around our little journeys out and about. I miss your voice . All your prayers. You have become a mother figure to me and the best of friends. Not to mention family. I love you so much. I know you are already doing great things up there in heaven. You did so many here on earth. I know you are walking those streets of gold pain free. Living on Jesus and all our loved ones. Can't wait to see you again baby. Thank you for being who you are. Loving me unconditionally. Thank you for all the precious moments. Sending you all my love and hugs.

Praying for all our family. God is with us. Lean upon Him during this difficult time. Jesus name.

Love you all.
