“ *Floyd what a mess you were!*

I worked with Floyd at Foxwood Hills.

I have to tell this story...One night at a steak house in Seneca...several years ago I spotted Floyd and went over to speak to him. since it had been several years since I had seen him I said, "Do you remember me?" He replied, "Sure, Your that girl who spent the night with my son." I said very embarrassed, "No. I never spent the night with your son!" My face was getting redder by the moment...I tried to explain that he was mistaken and finally he said, " I know it was. you! You and Keith were born on the same day and you spent your first night together in the hospital!! I never knew that Keith and I had the same birthday until that very embarrassing moment! LOL.

Rest In Peace Floyd my friend...you got me good. Peace be with each and every family member. Heaven has another soft spoken Angel. Happy Birthday on Tuesday, Keith, even though losing your Father so near your birthday is a terrible time, no time is good. All of you were blessed by Floyd for many good years. Rip.
