“ *Sylvia and Family, We are deeply sorry about the passing of "Nanny". Our thoughts and prayers are with you all during this difficult time.*

May the love of those around you help you through the days ahead and may all your memories of "Nanny" give you strength to face the pain you are feeling.

It will be the little things, the small, everyday occurrences that you will remember, the laughs, the stories, the smiles. Even though it seems like you can never recover from losing "Nanny", it is these very memories that will help push the pain away and bring back the smiles.

As you all share the stories and the memories of how "Nanny" lived her life and how very much she meant to everyone, may you find comfort. And throughout this difficult time, may it console you to know that others care, think of you warmly, and in every prayer, ask God to bless you all with courage to bear the sorrow that now fills each one of your hearts.

Thinking of you all with sympathy and hoping you find comfort in the lifetime of special memories of "Nanny".

*With Deepest Sympathy,
Bobby and Ann Hayes*
