“ *My first opportunity to meet Frances Hudson was last summer when I took my mother over to see her. I enjoyed the visit so much and found 'Aunt Frances' to be such a pleasant person even though she did not talk much. I could see the love of her daughter and I know that she will be missed greatly. My only regret is that I did not take the chance to know her better. May God bless your family through this time and give each of you the strength needed to endure. My mother, Bertie Smith Mundy, and I send our love and prayers.##imported-begin##Sharon Mundy Kimbell##imported-end##*
