“ To the family of Mrs. Frances,
You already know this, but you had a wonderful Mom! She always had a smile on her face and a friendly word to say. She always stopped to talk as she would take her puppy for a walk. She will be missed by so many!!

“ Vandra, Richard and family, Your mother was deeply loved by my family. I have known your parents since before I could walk, and felt very honored to be a part of their lives. I remember many conversations with both your father and mother during neighborhood block parties, and other times when we would come to grandmama and papa's house for a visit. What wonderful neighbors and friends they were to my grandparents. We will truly miss Mrs. Francis and will miss seeing her walk Boo Boo each day. Please know that you are in our prayers.
