“ *Aunt Mickey may you rest in peace, you will be missed but never forgotten. I remember back in NJ when we were very young , us Cousins would be playing around and making lots of noise, and your first born (Johnny) was a baby sleeping in the crib you would get upset with us and yell and then give us a smile! I also remember Twilight Zone was one of your favorite TV shows! When you lived in Florida by us you always had that sunny glow in your face because you did a lot of walking. We pray for you and your loving family always. May God welcome you into the light to be with the other family members who have passed on, I'm sure my Mom and Dad will hugging you in Heaven.*

Love Cathy, Joey, Daryll and Melissa

“ *My Aunt Mickey was always so funny. Whenever we were together, we would always wind up laughing about something. I always thought her funniest job was when she worked for the psychic hotline – LOL! She used to tell me about some of the doozies that would constantly call and ask for her. I was always touched that she and my uncle named their daughter after me. I will miss her. God bless and thinking of all you. All my love, Elaine*
