“ *I volunteer at The Residents with Jenna Mennard. The first time I helped Jenna, she and I were at Walhalla High School seeing a show. I did not know her but seen that she was having diffulculty in wheeling a chair and helping a women, in the rain. I ask if I could help and she allowed me to help the woman. It was Pannty Lou. It was always a blessing to see her at The Residents. She was always upbeat and you could tell that she loved the Lord. She will be missed by many that knew and seen her. May you feel the comfort of the Lord till you go to be with her. Jane Miller*

Thank you for your kindness toward Mama. She loved her home at Residents of Park Place. Her final years were as filled with happiness and as much joy as I could possibly provide. I hope to be able to someday have the strength to give to others as you are doing now. Thank you again for your love and kindness. Sissie Sanders
