“ *Fred was a childhood playmate and lifelong friend. I lived on Kenneth Mill Village and Fred lived just beyond. I spent many "scary" nights walking from Fred's home to mine after a day of playing together. My Dad was very proud of Fred as he always commented that Fred was such a gentleman and working at the post office gave him a special standing with my dad. I wish I could tell more stories about the things Fred and I were involved in but it would take too much space. He was a true friend. RIP, Fred.*

“ *Fred epitomized a Christian Gentleman among so many other positive attributes. He was a valued co-worker in the early 60's with the Torrington Company and a team mate on our Industrial League softball team. I will forever treasure his friendship, encouragement, and life lessons I earned. Fred was God's gift to our world. His footprints are all over the ball fields, school gyms, and communities. His smile radiated his love for his Lord, family, and community. He loved watching Westerns on T.V. Kay and I send our most sincere condolences to his family.*

“ *Frank Lanford....I am sad to hear of Fred's passing. I had the pleasure of having had Fred as a coach and mentor as a young boy thru my early teen years. Fred taught a lot of young men about football but more importantly about what it meant to be a good person and give back to your community. Years later he would come and watch as I coached youth sports I'm sure hoping to see me try to pass down those values he instilled in me to the next generation. A truly good person.*
