“ A beautiful woman, inside and out. Sorry to hear of her Homegoing, but in the next breath, felt we released her to The Lord. Freda was a wonderful friend to me, for 45 years with her gentle and caring nature. One of her Beliefs in life was the Love of God ... and Freda Parker was authentic with people, saying what needs to be said because she lived her Faith. I always admired how she never judged or forced her opinions on anyone, but offered valuable and truthful advice that I will surely miss.

She always kept her sense of humor and even when she was in the hospital, I said to her that I wish I could take away her confusion. Her response was, “I would give it to you in a second. You can have it.” She was a wonderful Mother to Mike, LeAnn and Will. She thought of all three as her Children. She laid a strong foundation for Y'all and her beautiful Spirit will live on. It's so comforting to know that She will always be with us in our hearts.

I'll see you again, my friend,  
Linda

“ Mike, I am so sorry for the loss of your mom. She was a very precious woman. She meant a lot to me as I grew up at Bountyland Baptist. Her, Nellie Boggs, Sue Hornick and many more than I can remember. Some of the most precious ladies went to church there and I will always remember them. God Bless you and your family.
