“ *To the Walters family,
Knowing Freddie was a joy to me. I have known her for several years and was her manager over the apartment she lived for many of those years. Freddie was a true believer in God, she was also a prayer warrior, and loved to read the Bible. She was one lady who truly loved her children and grandchildren. She talked of her family all the time. She was a very caring person and loyal to her God and the church she attended. So sad she is gone from this earth, but heaven has gained a faithful servant. I will miss Freddie. She always was fun to talk to and share stories about our times together. God bless each of her children and family members. Her main concern was to see her children going to church and ready to meet God. I know her prayers will be answered. Blessings to all her family.*

“ What a dear, dear lady! Sister Freddie Walters was such a vital part of our church family. I loved sitting near her as we sang and worshipped together. She was a prayer warrior. She was an encourager. She was immensely proud of her kids, grandkids, and great-grands. I will never forget her wonderful example of how independent and self-sufficient a person can be, despite their physical limitations. She kept on going, and kept on, and kept on. Our prayers are with Sharon Moore and all the family members of Sister Freddie as you say your last good-byes. You will never stop missing her. Neither will we <3
