“ To the family of Furman Gibson,

*I worked at Winn-Dixie in the meat department with Furman many years ago. We bumped heads a good bit but that being said we became friends. It's been more than 20 years since I saw him. My thoughts and prayers are with the family during this incredibly difficult time. His legacy will continue through the lives he touched. Fly High Furman*

*Furman was a great man and a loving father. He was always there for his family and beautiful wife Barbara. I would spend the night a lot with Lesley when we were younger and I felt at home! I will sure miss Furman even though I haven't seen him in a while now that I'm in TX. I love this family and I'm so sorry for your loss of a great man. I love y'all so much! Love Daysa*
