“ I worked with Gamuel at Greenfield Industries. He was always so pleasant, just a joy to work with and be around. The main thing that I remember about Gamuel was his love for his family. Even though he would come in the office for work reasons, he would always take an extra minute to tell you something about them. I know he is rejoicing in heaven but will be terribly missed by those left here on earth. My thoughts and prayers will be with you all.

“ *Gamuel was the best part of my childhood. We would go to our Grandmothers house in Summer. Grandmother would take Gamuel shopping for school clothes. Sometimes I would go with them. We would play,play all day long at Grandmothers. Those were the Happy Days he was like my big Brother. Fun times I will never forget. Love you Gamuel. Sybil*

“ *I will never forget him in any other way, but being very respectful and most highly mannerism of any individual you will meet in a lifetime and this is very rare. You'll never be forgotten due to the traits one carries in their life and make a impression while living a dedicated christian life before others in this world. Thanks so much for knowing you in my life in growing up In Cateechee South Carolina. Carl S Bagwell & Family Easley,SC .*
