“ My name is Kelley Allison and I know that this might sound strange , but I have only known Gearline for a week ....yes, one week ! But from the 1st day I met her ,( she was my Moms roommate at Seneca Health & Rehab ), I knew that she was a very special lady . She was quite concerned about her husband having enough food :) and was so thankful to everyone around her helping him and those who helped her . During this short time , I was privileged to meet her awesome sisters , hilarious nieces and one of her nieces beautiful daughters ! My favorite memory was her giant smile/squeal every time I entered the room ! I will never forget it ! The meals were always quite entertaining because we all made up different names for what we thought was being served ! I pray that her family can cherish their memories with Gearline and speak of those memories for a lifetime . I feel extremely lucky to have met her ❤️ Prayers and love to Gearlines family ❤️

Thanks Kelly although it has only been two weeks I feel like we have been friends for a long time. You and your precious mom made the experience at Seneca Rehab more helpful than you know. I will always cherish the times we spent there. Thanks again for all the kind words ❤️
