I was one of many children this wonderful lady blessed in Sunday School and Children's Church. When my own mother was laying in a hospital bed with the family called in and the doctors giving her only hours to live Sis. Collins leaned over her and stroked her hand and spoke the 91st Psalm to her from memory and my mother responded and the Sis. Collins turned to me and said "Son, have faith. Our God isn't through with your mama yet". She was right. We had her for another 13 years. As I grew up and moved away I lost touch with a lot of people but Sis. Geneva Collins will always have a special place in my heart. What a precious and beautiful spirit.
