“ Ms. Allie, I got to know you and your husband through being the Postmaster at the Fair Play Post office. He was always so nice with a cute comical joke to share. I looked forward to him coming in the Post Office for his business needs. I know you, the children and grands will greatly miss him and although no words however kind that I may say can ease the loss you bear but may it bring a share of comfort to know how much that I care. May the light of God's love bring you peace and comfort at this difficult time. You are in my thoughts and prayers.##imported-begin##Betty Anderson##imported-end##
