“ *Remembering the times at the Lake (Flint Lake) as a child, with Mary Jo. And remembering the yellow Thunderbird hard top convertible. Thought wow you were so cool in that car! Have always enjoyed our conversations and seeing you in SC. Praying for Janet, Mary Jo, Jim and the whole family during this time.*

“ *I remember a conversation we had about how much he disliked house boats and he was always opening the door and letting the dog out.
What a blessing you were to him Jan, you took such good care of Pete and you were very patient with him. It was very obvious that you loved him very much.
Our thoughts and Prayers are with you and we are just a phone call away if you need anything.
