“ My sympathies go out to the family during this time of sorrow. I knew Lane and the family when he began working with the parks and he would always make people laugh - such a joy to be around. There can be rejoicing because he is whole and with his heavenly Father. You all will be in my prayers.##imported-begin##Gennie Bowen Cauthen##imported-end##

“ *Hazel, Eddie & family,*

*We send our love and continued prayers to you all as you suffer such a heart broken loss that any mother and brother would never want to face. It is so hard to believe, years ago, the little boy that sit behind us in church, usually swapping punches with his brother, is now united with his dad in Heaven.*

*Hazel, we will never forget our good times shared with you, Gerald and the boys and the friendship that we have always treasured in our hearts. We think of you often and we now ask God to hold you, Eddie, and the family, very close as you once again learn to endure the pain and agony of losing another that was so loved and cherished.*

*We love you,
