“ I am so heart broken, over the passing of one of the sweetest people I know. I have not seen Gladys in so long and wondered where life had taken her. She and I worked together at JP, lived together at one point when her children were small and happy many enjoyable times together at the beach.

Please know that I am deeply sorry for your lose. Her whole family was special to me during the time in life we shared. I will be praying for the family.

Much love in Christ,

“ Hello David and family,
I am so sorry to hear about Gladys. I did not even know that she was sick and feel really bad that I haven't kept in touch. Some of my very favorite memories are of Gladys and the times we shared especially when we went to the country music shows together. She is one of my dearest friends and I will always have a special place in my heart for her. My prayers are with you.
