*Glady radiated a special light in the lives of countless coworkers while employed at Torrington. She was exceptionally conscientious in her work, her attendance, and her caring nature. She created many happy memories and faced lifes trials and tribulations with the knowledge that Christ was with her always. We were blessed when she entered our pathway on life's journey.*

“ *My thoughts and prayers are with the family. What a special lady she was. She made my day every morning with a hug and kiss and said "there's my babydoll." I miss her so much. She had a spirit that will live in me forever. I thank you, the family, for allowing me to be a part of her life! May God be with you all during this trying time.*
