“ *In loving memory of precious Gladys we adopted her as our grandmother when we were little kids. And now she GG to our six kids. She was a part of our lives for 31 years. She always had Thanksgiving & Christmas dinner and her nephew Tony with our family. She always attended our birthday party's and our school activities. She and her partner Jeanette Sheriff worked at West point Stevens as inspectors so they worked all over the plant so they were able to sell candy bars for us and other kids for Keowee Elementary so we all could go to Washington when we were in the 5th grade. Our brother Austin is special needs she would take him to our aunt restaurant Mountain View to eat dinner once a week and she let them eat free because granny worked there when retired from the plant for 8 years. She really enjoyed seeing her great grands coming over to see her giving her a big hug and we love you Gigi. Please remember her adopting Alexander family yours in your prayers we surely miss our precious G
