“ Gladys, I had the enjoyment of working with you at Oconee Memorial Hospital just after I graduated from nursing school at CU! You were the best...always there doing whatever task I asked you to do! We also had so much fun working nights on what was then 3rd floor PEDS in the old hospital! I have often thought of you and what you were doing. You were one of the best CNA'S ever! Thank you for being a part of my very early nursing career! Thoughts and prayers for your sweet family! Love you precious lady! Debbie S.Smith.

“ *So sorry to hear of Gladys passing. I was a nurse that worked with Gladys in her last year's at OMH. She was a great CNA but even more a great lady. She loved the Lord and sometimes gave a much needed laugh with her sense of humor! She will not be forgotten!*

“ *Worked with Mrs. Pearson a few years while I was in high school. She was a nice and caring lady who looked after all the high school students who worked part time at The Fair in Walhalla. I felt her love every time she realized help was needed. She shared her love for her family with us all. Now she is home with her love, Mr. L B. Love and sympathy to Shirley and the rest of her family and friends.*

“ Shirley, Myrtle, Pat, other Smith family members,
I worked with Mrs. Gladys back in the late 60's and into the 70's at Oconee Memorial. She was a great mentor and teacher. She showed her faith in God through her daily talk, walk, and actions. She talked about LB and Shirley all the time. She always had a sweet, spirit. God bless each of you.

“ I have many many fond memories of Gramma. Some of which include her showing me not only how to pick vegetables from a garden but how to mark them for canning. She would hum and sing while showing me how to roll okra to fry.
Gramma was so well known throughout the community that when cell phones came out and we had similar numbers, a lady from Blue Ridge Bank would call me to tell her Happy Birthday. I would always tell her Gladys is my Aunt and that I would pass along the message. Gramma has ALWAYS been a Prayer Warrior. After her Prayers, she would always tell me "Jesus is going to call us all Home one of these days and I love you Kim."
Now it's my turn..."Jesus called you Home and I love you Gramma!"
