“ Lamar and family,
Your mother was exemplary of a Christian lady. She was joyful, kind, loving, and so understanding. I taught by her side in several children's classes. She and I took a van load of small children to Santa's Land one summer and had a blast. I learned so much from her and loved her deeply. She will be missed. God bless you and your family.

“ Throughout 2019 my American family and I gave monthly Birthday Parties to the residents of Lakeview Assisted Living. During that time I built a wonderful & loving friendship with sweet Gladys and would often visit with her always remembering to take her yellow roses - her favorite flower. Gladys and I shared a love of ice-cream and we would laugh together exchanging stories of indulging as she had a sneaky second and even third bowl of ice-cream during a party event. Gladys had a wonderful sense of humor, always making me laugh. She loved her family very much, often sharing stories about her brother in Germany, her late husband and her living son she was so proud of. Gladys was a gift in my life, she felt like family and made me feel like part of her family. At 89 she was full of life and quite sharp, - always asking about my family in England and never forgetting anything I told her or we shared. Sweet Gladys - thank you for your love and friendship, I will cherish your memory and know that you are at peace and pain-free now. My heart goes out to those you have left behind, may your family and friends have peace in their hearts with your cherished memory. You were a wonderful person. Love always - I will miss you - until we meet again! I will have a large ice-cream in your memory my friend. God Bless xxxxx Samantha (Ziesel)

“ *As a visitor to Lakeview I was quickly drawn to Gladys’s humor and laughter. Our conversations always included her family and how much she loved them. She shared her faith and you could always find her listening to her Biblical tapes (when she wasn’t sneaking a nap). Although our friendship was brief and somewhat limited my life has been enriched by her sweet spirit. My deepest condolences to Lamar and Sharon and to the rest of her family and friends.*
