

## Mrs. Glendel Cross Wyatt

March 11, 1941 - October 14, 2022

Glendel Cross Wyatt of Seneca, wife of the late William “Bill” Ford Wyatt, passed away on the evening of Friday October 14, 2022 in her home at the age of 81.

Born in Anderson County, SC, Mrs. Wyatt was the daughter of the late Joe and Annie Bell Cross.

Mrs. Wyatt, more commonly known as Nannie, was above all a loving mother to her three children, eight grandchildren, two great-grandchildren and the countless young lives she touched during her 30+ years owning a childcare center. Each of these lives was and continues to be made richer by her endless care and love. Mrs. Wyatt was quick to show an interest in others and especially loved to hear more of the latest news over a game of dominos from the other lovely ladies of the 313 Social Club. Her love for the story of others could be seen in her talents as a doll artist and avid collector, bringing to life and giving personality to her intricate creations. Mrs. Wyatt was a selfless giver, always looking out for the needs of others. She never needed an occasion to give to those around her, especially if the gift was an unbelievable deal from her frequent trips to the local flea markets and thrift stores. Hers was a life that exemplified the immeasurable riches a person can gain from continually giving away more of themselves. Her warm spirit and joyful smile continue to live in the memories of her adoring friends and family.

Mrs. Wyatt is survived by her sons: Mitchell Wyatt (Mary) of Irmo, SC and Russell Wyatt (Jill) of Taylors, SC; daughter: Kellie Edgar (Jeff) of Seneca, SC; brother: Pete Cross of Seneca, SC; sister: Joann Fayonsky (Leon) of Greer, SC; eight grandchildren: Beau (Samantha), Jacob (Michelle), Abram (London), Alex, Joseph, Adam, Greer, and Emily; and three great-grandchildren: Jocelyn, Colton, and one on the way.

Funeral services will be conducted at 2:00 PM, Wednesday, October 19, 2022 at Full Gospel Temple with burial to follow at Oconee Memorial Park.

The family will receive friends from 1:00 – 2:00 PM, Wednesday, prior to the service, at Full Gospel Temple.

In lieu of flowers, memorials may be made to: Shriners Children's Hospital: 950 W Faris Rd, Greenville, SC 29605.

The family is at their respective homes.

“ Growing up in Adams Subdivision I can still remember how creative and talented Mrs. Wyatt always was with painting and decorating! When I think back to my childhood she was always on the go and was creating such pretty things in their house. I would often wonder why my mom wasn't that way. I remember her painting with this tiny little brush on a white bedroom suite that Kellie had as a child. She used gold paint and she made like this fancy like outline around the edge of each drawer and maybe even painted a design that she created herself on like maybe the top drawer of her dresser or chest of drawers. I was so amazed at how she could do so many different things. I never said this to anyone, but I can remember thinking to myself I want to be like her one day. She always had time to stop and speak to me too. I am pretty sure that as a child she was the first like mom or female person that I really paid attention to and never really realized it until I sat down and started to think back to the amazing childhood we all shared in Adams Subdivision. I also remember Mrs. Wyatt was always encouraging Mitch and Kellie's creative side! They like always had cool and fun activities going on! The first time I ever knew about making your own like popsicles was when Kellie and her mom made them! I can remember being so amazed! I look back and think how much she encouraged her own children to embrace their talents that God had blessed her with as well as her own children. I was fortunate enough as an adult and then a mom to be around to see Kellie raising her own children and watching it all take place again with encouraging and embracing the gifts God gave Kellie's children.

Kellie, please know since finding out yesterday afternoon about your mom my prayers have been for you and Mitch and Russ and each one of the families y'all have and my thoughts have been remembering back. This time in our lives and losing our parents is just not easy at all. I will continue my prayers for you all and y'all are most definitely in my thoughts too.

“ To my sweet cousin, I will never forget your beauty inside and out.

*Idk there are just so many wonderful memories that I can't name them all but to name a few , you would dress me up when I was a child and taught me the hokey pokey. You were so good to me.*

*One of my fondest memories was you would tell my parents I was asleep and they should just let me spend the night. Lol*

*Then there was the beautiful bride doll that I wanted so bad and you gave it to me.*

*You were more than a cousin. You were my sister.*

*I will carry the memories of u in my heart until I see you again in the presence of the Father in heaven. 🙏🙏🙏❤️❤️❤️*
